

April 2018 GSIG Board Meeting Snapshot

In an effort to foster greater communication with the Home Groups that are served by Greater Seattle Intergroup we have created a one page info sheet that can be quickly shared at your group's business meeting. For a detailed review of our Business Meeting please read our minutes in the High & Dry, GSIGs monthly newsletter can be found on our website under the Resources tab.

- There are 10 open spots for group phone answering and lots of new technologies available. Your group can now answer from a remote location, no need to travel to the Intergroup Office to do service with your group.
- GSIG had a good first quarter, and our prudent reserve has now been restored! Please thank your group for their contribution!
- Our Web & Tech committee has been working on a new improved website we hope to launch in June. In order to provide the most accurate and up to date information we are asking that each group complete the "Group Update Form"
